Heating & Cooling Window Units

September 7, 2018

To Modoc Tribal Members:

Modoc Housing Authority has a limited supply of Frigidaire Window Unit Air Conditioners with supplemental Heat that is being offered to tribal members. They require a 220 VOLT electrical outlet and must be picked up at the housing office. If you need assistance with an electrician, MHA will be happy to help coordinate that but will not pay for the service. The windows units are available to all tribal members with a preference for families especially those in need. If you are in need, please send a short essay describing such need. If you are interested in a window unit, please fill out and return the included application.

If you have any questions, please call MHA at 918-542-8175, email at modochoosing@cablone.net, or come by the office at 416 H St. SE.

Sincerely,

Robert Burkybile
